
PROVIDING FOR CONSIDERATION OF THE BILL (H.R. 1315) TO AMEND THE DODD-FRANK WALL STREET REFORM AND CONSUMER PROTECTION ACT TO STRENGTHEN THE REVIEW AUTHORITY OF THE FINANCIAL STABILITY OVERSIGHT COUNCIL OF REGULATIONS ISSUED BY THE BUREAU OF CONSUMER FINANCIAL PROTECTION, AND FOR OTHER PURPOSES.

July 20, 2011.—Referred to the House Calendar and ordered to be printed.

MR. SESSIONS, from the Committee on Rules, submitted the following

REPORT

[To accompany H. Res.]

The Committee on Rules, having had under consideration House Resolution____, by a nonrecord vote, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 1315, the Consumer Financial Protection Safety and Soundness Improvement Act of 2011, under a structured rule. The resolution provides one hour of general debate equally divided and controlled by the chair and ranking minority member of the Committee on Financial Services. The resolution waives all points of order against consideration of the bill. The resolution makes in order as original text for the purpose of amendment the Rules Committee Print of H.R. 1315 dated July 14, 2011 and provides that the print shall be considered as read. The resolution waives all points of order against the Rules Committee Print. The resolution makes in order only those amendments printed in this report. Each such amendment may be offered only in the order printed in this report, may be offered only by a Member designated in this report, shall be considered as read, shall be debatable for the time specified in this report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall

not be subject to a demand for division of the question in the House or in the Committee of the Whole. The resolution waives all points of order against the amendments printed in this report. The resolution provides one motion to recommit with or without instructions.

Finally, the resolution directs the Clerk to, in the engrossment of H.R. 1315, add the text of H.R. 830 as passed by the House as a new matter at the end of H.R. 1315. The resolution also directs the Clerk to make conforming modifications in the engrossment.

EXPLANATION OF WAIVERS

Although the rule waives all points of order against consideration of the bill, the Committee is not aware of any points of order. The waiver is prophylactic.

The waiver of all points of order against the Rules Committee Print of H.R. 1315 dated July 14, 2011 includes a waiver of:

- Section 302(f) of the Congressional Budget Act, which prohibits the consideration of legislation that exceeds a committee's allocation of new budget authority. This budgetary violation will be cured when, pursuant to the resolution, H.R. 830 is added as new matter at the end of H.R. 1315. In accordance to clause 10(b) of rule XXI, the provisions of H.R. 830 will offset the breach in allocation of budget authority for a total net reduction in direct spending of \$104 million over the 2011–2021 period.
- Clause 7 of rule XVI, which prohibits the consideration of nongermane measures. The waiver is necessary because the Rules Committee Print incorporates the text of H.R. 1121 and H.R. 1667 as reported by the Committee on Financial Services, which are not germane to H.R. 1315 as reported.

Although the rule waives all points of order against the amendments printed in this report, the Committee is not aware of any points of order. The waiver is prophylactic.
